Healthy Turf Healthy Earth

Vol. 7

Introducing Nutrilawn's Newest Service!

Our Mosquito Control is specially designed to create a Season Long Barrier around your property allowing you to safely enjoy the outdoors around your home with friends and family while keeping the mosquitoes away.

Besides being annoying, mosquitoes pose a number of harmful human health hazards as they can transmit infectious diseases. The spread of West Nile and Zika viruses is known to be transmitted by adult mosquitoes and eliminating populations will reduce these risks.

Our highly trained and licensed technicians will treat the following areas of your property where mosquitoes hide out:

- Shrubbery and ground cover areas
- Under decks and stairways
- Hedges and landscape plant materials
- In your Lawn

The amount of applications varies due to season and location of your property.

To find out more visit: www.nutrilawn.com/mosquito-control

"YOU SPOKE, WE LISTENED!"

Mobile Live is Here!

Customers might have noticed that our trucks now have printers! Your invoice is printed on site!

This service will also offer custom coupons tailored to your lawn care needs. Each technician will evaluate your lawn offering additional savings on our already low prices.

Email Notification

We found that a majority of our customers wanted more feedback/notice of our visits!

We have before and after service email notifications of when we're coming, what were coming for, and what we've found during the visit.

Meet Our Expert **RHONDA BROOMER**,
Office Manager!

Rhonda is the friendly voice you have been hearing, for the past decade.

She is also one of our most dedicated employees, both with our clients and her colleagues.

Rhonda's excellent customer service skills come naturally.

You know from the first time you speak to her, to the last call of the year for renewal, that you're in good hands.

In her free time, Rhonda enjoys spending time with her two grandchildren, Rhys age 9, and Avery age 7.

With the help of great staff members like Rhonda, Nutri- Lawn continues to grow in the communities we service.

Thanks for all your hard work Rhonda!
